Ms. Sam Cocking
President
Junior League of St. Louis
1630 Des Peres Rd., Suite 150
Saint Louis, MO 63131

Dear Ms. Cocking,

I would like to express our sincere appreciation for the generous \$1,000 donation received from the Junior League of St. Louis under Check No. 6111, dated May 18, 2009.

Barb Melton and Nina Swartz enjoyed being a part of the celebration at your facility yesterday and know that the youth will be overjoyed with the additional outings your gift will enable us to provide during the summer months as part of Lift For Life Gym's Summer Camp Program. As requested, we will restrict the gift toward trips to the Magic House and Gateway Arch and use the remaining balance for park activities and barbeques. Thank you so much!

For over 20 years, Lift For Life Gym has been offering St. Louis City children a safe, enriching environment in which to strengthen their bodies, enrich their minds, develop healthy social relationships and learn to make positive life choices.

With your support, we are able to provide athletic, social, recreational and education activities for over 400 children at no cost to them.

We are excited to partner with other activities and volunteer efforts already in place at the Junior League of St. Louis. Thank you for your contribution to Lift For Life Gym and feel free to contact us for a visit at anytime, by dialing (314) 588-0007.

Sincerest regards,

Marshall Cohen
Executive Director and Founder
