Junior League of St. Louis
Mrs. Samantha Docking, President
1630 Des Peres Road, Suite 150
St. Louis, MO 63131

Dear Mrs. Docking,

In 1983, the Junior League of St. Louis partnered with Monsanto to create a revolutionary program in the juvenile justice sector. Now, 25-years later, that program still serves the Greater Metropolitan Area and has received national attention for its innovative approach to restorative justice.

PayBack's Board of Directors would like to recognize both the Junior League and Monsanto's contribution by awarding both parties the Community Service Award at its Annual Garden Party, Wednesday, September 10th from 5-7pm.. The evening's festivities will take place at the home of Ken & Lois Marshall, 821 S. Bemiston Avenue in Clayton. The Community Service Award will be presented at approximately 6pm.

We look forward to seeing you and congratulations! Please feel free to call me at (314) 303-6029. It would be my pleasure to answer any additional questions.

Sincerely,

Melissa A. Jaco
Executive Director
