**JUNIOR LEAGUE OF
ST. LOUIS**

Women building better communities®

ANNUAL REPORT

2014-2015

Female civic leaders from all over the world, brought together by the World Affairs Council of St. Louis, visited with President Allie Chang Ray on Oct. 30 at the JLSL office. Topics of discussion included “Women as Political and Social Leaders.”

JLSL Presidents at the Girls, Inc. luncheon on Nov. 13.

Episodic Volunteer Opportunities/Done-In-A-Day

Episodic Volunteer Opportunities provide JLSL members with short-term volunteer options in the community. Junior League members participated in the following activities during 2014–2015:

First Book-St. Louis

The Largest Book Party in St. Louis was held at Gene Slay's Boys' Club of St. Louis on Aug. 20. Children, between ages four and eight years from low-income families enjoyed a fun morning of story time and snacks. Each child received at least three books, an LBP t-shirt, and a market bag to carry everything home.

JLSL volunteers performed a variety of duties, which included set-up and clean up, staffing the book and food tables, welcoming and directing groups, and staffing the check-in table. Some volunteers guided a specific group of children through the activities for the morning.

Heal Ferguson - A Concert for Peace and Unity was held on Sept. 7. JLSL volunteers helped with hope and unity-focused activities, such as wish bracelets, for kids at the event.

Helping Hand-Me Downs

Helping Hand-Me Downs is an organization that partners with Birthright, Nurses for Newborns and hospitals to get the names of needy mothers, moms-to-be and newborns.

They work to secure donations of clothes and toys (and sometimes food) for these moms and infants to help support their basic needs. On Sept. 13 and Nov. 8 JLSL volunteers sorted through the donations, packed them into boxes and personally delivered them to the families.

I Love Ferguson

I Love Ferguson, a newly created 501(c)(3), hosted a massive Community Outreach event on Saturday, Sept. 20 in conjunction with the grand opening of the New Community Center. The event included a donation collection of sundry/ personal hygiene items and some food items for distribution to local Ferguson food pantries and social agencies. JLSL volunteers sorted and packed donations that benefitted local Ferguson residents.

Episodic Volunteer Opportunities, Continued

Food Outreach

Food Outreach provides nutritional support and enhances the quality of life for men, women and children living with HIV/AIDS or Cancer in the St. Louis area. On Oct. 4, Dec. 6, Feb. 7 and March 7, JLSL volunteers helped cook, package and store homemade meals for Food Outreach clients.

Trails Crew at Greensfelder Park

On Oct. 7, JLSL volunteers helped to improve Greensfelder Park by removing limbs and debris, tree trimming and performing general trail maintenance.

Cardinal Ritter Senior Center

On Nov. 6, JLSL volunteers prepared and served lunch for Adult Day Program participants and assisted with kitchen cleanup. The Adult Day Program assists families who are caring for senior adults who cannot be left alone during the day, but who do not yet need 24-hour nursing home care. Often, adults who are living at home with younger relatives need care during the daytime hours when their caregivers are working. Those caregivers may just need a break from constant supervision and caring for senior adults or adults with development difficulties. Cardinal Ritter Senior Services recognizes the needs of those families with its Adult Day Program located in Shrewsbury, Missouri.

St. Louis Area FoodBank

On Nov. 11 and Dec. 3, JLSL volunteers helped sort and pack food at the St. Louis Area FoodBank Distribution Center in Bridgeton. The St. Louis Area FoodBank helps more than 57,000 people per week by distributing food through over 500 partner agencies.

Winter Wonder Walk at Tillis Park

Winter Wonder Walk is an annual festive family holiday event at which people of all ages walk through a one-mile Holiday light path at Tillis Park during the evenings the weekend before Thanksgiving. Members of JLSL volunteered on Nov. 22.

Lutheran Senior Services

JLSL volunteers helped the residents of Laclede Groves senior community celebrate Thanksgiving on Nov. 23 by volunteering at the Annual Resident and Family Thanksgiving Dinner. Volunteers assisted the staff, serving food and drinks to ensure a wonderful, stress-free holiday meal for the residents and their families.

St. Patrick Center

On Nov. 24, JLSL volunteers helped distribute meals at St. Patrick Center's annual Thanksgiving distribution program. Local corporations, churches and individuals donated turkeys and traditional Thanksgiving dishes to help 400+ formerly homeless St. Patrick Center clients and their families. On Dec. 12 and 13, JLSL volunteers helped sort and distribute Christmas gift packages to St. Patrick Center clients. During the holidays, the Christmas Wishes Program assists more than 1,200 St. Patrick Center clients and their families. Many are impoverished and have little or no money to purchase Christmas gifts for their children and some will be celebrating their first Christmas in their new homes. Each client receives a minimum of two gifts per person in their family.

Circle of Concern

Circle Of Concern's mission is to feed the hungry and provide long-term and emergency assistance to low-income families living in western St. Louis County. They create opportunities for needy families to re-establish themselves as productive members in our community. On Dec. 13 and Jan. 10, JLSL volunteers helped sort and stock non-perishable food.

Episodic Volunteer Opportunities, Continued

Cornerstone Center for Early Learning

Cornerstone Center provides education and care for children from six weeks to six years, while providing ancillary services for working families. On Jan. 15, JLSL volunteers read to, sang and played with the children.

Gateway 180

Gateway180 is a valuable resource for women, children and families experiencing the unimaginable burden of homelessness. This agency provides a safe, nurturing environment and supportive housing programs that empower adults and families to become independent and permanently housed. On Jan. 31, JLSL volunteers helped lead children's activities and supervised free play for children ranging from toddlers to early middle school students while their parents attended educational workshops.

Foster and Adoptive Care Coalition

Foster and Adoptive Care Coalition receives hundreds of thank you notes from foster kids for holiday gifts they receive through the Little Wishes program. On Feb. 7, JLSL volunteers helped match the thank you notes with the donors in order to forward the thank you notes onto the correct donors.

Foster and Adoptive Care Coalition adopted the "Cinderella Project" from the Community Council of St. Charles. Hundreds of foster, adopted, and underprivileged girls in the St. Louis area received gorgeous gently-used and new prom dresses through this program. On March 7, 8 and 10, JLSL volunteers served as personal shoppers with each of the girls, so every girl could enjoy a special prom shopping experience and pick out the perfect prom dress for free!

Kingdom House

Kingdom House helps the economically disadvantaged achieve economic independence, self-sufficiency and a path out of poverty through holistic educational programs and services. On Feb. 28 and April 25, JLSL volunteers assisted with various projects including sorting donations, cleaning playrooms, gardening, and craft time with the children.

Almost Home

Almost Home provides long-term transitional housing, education, counseling, and support services for homeless teenage mothers and their children. On March 18, JLSL volunteers mentored and provided professional advice to teenage mothers during their weekly Life Skills' class.

Great Circle

Great Circle is an agency that provides a unique spectrum of behavioral health services to children and families. With specialized programs and highly-trained professionals, they provide hope to those in difficult circumstances throughout Missouri and beyond. On March 28, JLSL volunteers assisted with various projects both indoor and outdoor. Projects included creating educational games, landscaping, and sorting donations.

Nottingham Community Access and Job Training (CAJT) High School

On May 1, JLSL volunteers worked one-on-one with developmentally challenged high school students helping them get ready for their prom that afternoon. Volunteers also helped prep the cafeteria for the prom luncheon that took place directly before the prom. This heartwarming event is a favorite among JLSL members. CAJT is a public day facility which provides vocational preparation, occupational guidance, and functional academic instructional activities in a school based, community oriented school-to-work program for students with moderate/severe developmental disabilities ages 14 through 21.

St. Louis County Parks - Clean Up Project

On May 2, JLSL volunteers helped build and repair trails by assisting with limb removal, erosion control, tree trimming and general maintenance. The Parks collaborate with Gateway Off-Road Cyclists (GORC), who lead Trail Crew projects.

St. Louis Family Theatre Series

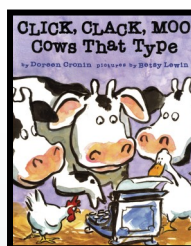

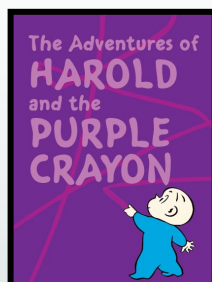

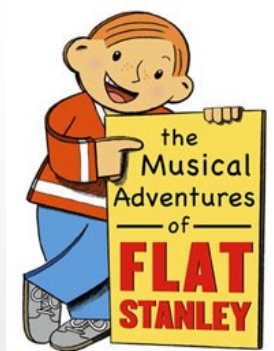

Celebrating its 27th year in the community, this program introduces more than 20,000 St. Louis area school children and their families to live theatre annually. Over the years, the St. Louis Family Theatre Series' (SLFTS) performances have entertained almost a half million young people. (The SLFTS began in 1986 as a Junior League of St. Louis priority group, then called "Audience of the Arts".)

Because it made such a significant contribution to the community by touching the lives of so many children, it was made a JLSL perpetual project on JLSL's 75th anniversary in 1989.

JLSL members working with SLFTS have several unique training opportunities including serving as a docent in the classroom or as an usher at the theatre. Many local schools plan field trips to see performances each year. In preparation for the "theatre experience", a docent visits each classroom and talks about what to expect at the theatre and during the performance. The children can ask questions, since for many of them this is the first time they will experience "live theatre." As an usher, JLSL members assist the young theatre-goers from the minute they walk in the door, ensuring that their theatrical experience is enjoyable and memorable.

DRUE LANE WEBSTER *Volunteer Service Award*

by Heather Winsby
For 30 years, the Drue Webster Committee has recognized outstanding Junior League of St. Louis (JLSL) volunteers who exemplify a balanced, selfless style of voluntarism and service in both the JLSL and community. At the JLSL Annual Meeting this past May, we acknowledged Sustainer Sally Lefler as our next Drue Lane Webster Volunteer Award recipient.

Although a graduate of Kirkwood High School, Sally came to the JLSL from the Junior League of Stamford-Norwalk in Connecticut. Since coming to the JLSL, she has served on the Real Estate Task Force, Little Wishes, City CASA, Cookbook and Board Bank.

Currently, she serves as a Sustainer Council Member. At the Association for Junior Leagues International (AJLI) Annual Conference in St. Louis in 2014, Sally was selected to represent the JLSL on a Sustainer Panel.

In the community, Sally is a member of the Glendale Board of Adjustment and has served as a board member and VP of the Kirkwood Area Arts Council. She has been very involved with Opera Theatre of St. Louis as co-chair of their Docent program, a VP of Fundraising and member of the Guild Board. She was also a steering committee member for Circle of Women YWCA.

Sally chose the Midland Music Institute of the Salvation Army Midland Division to receive her \$500 award.

Ladies' Bunco Night for fun & friendship!

JLSL Sustainer Jane Towater was chosen as an Ageless Remarkable St. Louisian by St. Andrews Resources for Senior Services at their Gala on Nov. 9 held at the Hyatt Regency St. Louis.

The Junior League of St. Louis was honored by Girls, Inc. St. Louis at the 8th Annual Strong, Smart and Bold luncheon held on Nov. 13 at the Ritz Carlton. JLSL was honored for its 100 years of involvement in the St. Louis community.

The girls club began in 1972 and became a JLSL project in 1984. The goal of the club was to foster the growth and wellbeing of the girls from the South Side by lowering the high percentage of school dropouts, teenage pregnancies and unemployment. Betty Sims, along with many other JLSL members, were important factors in the establishment of the Girls Club of Soulard, now known as Girls, Inc.

July 19th marked the official launch of the new JLSL Gift Boutique in conjunction with the Downtown Kirkwood Sidewalk Sale. "Our Launch Event was incredibly successful," said Allison Lavigne, Fund Development Team Lead. "Utilizing our storefront more effectively is already driving traffic into our Headquarters where customers can learn about our community and training programs and overall mission."

The JLSL Gift Boutique features the delicious JLSL Cinnamon Rolls, the top-selling JLSL *Saint Louis Days • Saint Louis Nights* cookbook, and a wide variety of Junior League cookbooks from around the country. The Boutique also carries a number of new items including: Italian stationery and cards, local edible delights, fine teas, and other specialty gifts. Each vendor was chosen with care for its unique products, history, and commitment to bettering the community. Many vendors are local to Missouri.

Proceeds from the Boutique benefit the Junior League of St. Louis' training and community programs.
